國際綜合性運動賽會的風潮

國際木球總會 翁啟祥 會長

2024年共有首屆亞洲盃沙灘木球賽、第9屆世界盃、國際木球總會大學盃等錦標賽，也先後完成了香港、馬來西亞、湯瑪士盃、新加坡、日本、中國、臺灣等地的國際賽，2024年無疑是忙碌且充實一年。

首屆亞洲盃沙灘木球賽由韓國木球總會於東海市舉行，住宿地點外就是綿延的沙灘，比賽就在沙灘上十分便利，對選手來說是很好的參賽體驗。

第9屆世界盃則由中國木球協會於紹興舉辦，繼2023年第12屆亞洲盃後，時隔一年再次回到紹興，大家對此場地也更加熟悉。

每年十餘場的國際賽事，奠定我們的發展基礎，也為木球發展提供了助力，除2025年5月份世界壯年運動會-納入木球競賽外，2025年第33屆東南亞運動會也在東南亞木球協會/泰國木球協會會長Patanachart Kridiborworn博士的努力下，順利將木球列為正式競賽項目。

2025年兩項綜合性運動會的舉辦，不僅提供更多的舞台讓選手表現，更是國際木球發展的重要成就，也勢必帶動木球的另一波發展熱潮，將木球發展推向新的高度。

2025年第4屆沙灘木球世界盃以及2025年第13屆亞洲盃等錦標賽將先後於泰國以及印尼舉辦，各國優秀選手雲集這兩國，我們也期待欣賞高手競技的精彩場面。

此外，今年自5月開始陸續有11場國際賽事在臺灣、泰國、馬來西亞、新加坡、印尼、韓國、肯亞、伊朗、香港、烏干達舉行，密集的活動讓我們馬不停蹄的走訪多國，更代表著木球活動的蓬勃發展現況。

今年綜合性運動賽會、錦標賽、公開賽等三個級別的競賽代表著木球賽事已趨完善，然我們仍需藉由世界壯年運動會、東南亞運動會這兩場綜合性運動會的舉辦熱潮，更進一步帶動發展契機，將木球運動拓展到更廣闊的領域。

The Trend of International Multi-Sport Games

Mr. Sean Chi-Hsiang WENG

IWbF President

In 2024, other than the 1st Beach Woodball Asian Cup, the 9th World Cup, and the IWbF University Championship, various international competitions had also been completed in Hong Kong, Malaysia, Singapore, Japan, China, and Taiwan. 2024 is undoubtedly a busy and fulfilling year.

The first edition of Beach Woodball Asian Cup was held by the Korean Woodball Federation in Donghae City. The accommodation was right beside the long beach while the competition was taking place on the beach, which was convenient and also a great experience for the players.

The 9th World Cup was organized by the Chinese Woodball Association in Shaoxing; moreover, participants were more familiar with this course since World Cup was returned to Shaoxing again after the 12th Asian Cup in 2023.

More than 10 international events each year have laid the foundation for Woodball; moreover, provided support for the development of Woodball as well. In addition to the inclusion of Woodball competitions in the World Master Games in May 2025, the 33rd Southeast Asian Games in 2025 has also successfully listed Woodball as an official discipline thanks to the efforts of Dr. Patanachart Kridiborworn, President of Southeast Asia Woodball Federation / Woodball Association of Thailand.

Participating of two international multi-sport games in 2025 will not only provide more stages for players to perform, but will also be an important achievement in the Woodball development. It will also inevitably trigger another trend of development and raise woodball to a new height.

The 4th Beach Woodball World Cup 2025 and the 13th Asian Cup 2025 will be held in Thailand and Indonesia respectively. Players from various countries will gather in these two countries, and we are looking forward to watching these top players' competition.

In addition, since May this year, 11 international competitions are scheduled organizing in Taiwan, Thailand, Malaysia, Singapore, Indonesia, South Korea, Kenya, Iran, Hong Kong, and Uganda. The tight schedule has been keeping us busy visiting many countries, and also represent the booming development of Woodball.

International multi-sport games, World Cup / Asian Cup, and open competitions, three levels of events within a year, represent that woodball has become more complete. However, we still need to take advantage of the boom in hosting the World Master Games and the Southeast Asian Games to further drive development opportunities and expand woodball to areas that are still waiting for us to develop.

1st Asian Cup Beach Woodball Championship 2024

2024年第一屆亞洲盃沙灘木球錦標賽

Venue : Donghae, Korea, 韓國 東海 Date : 25-30 Aug. 2024

Sang Wook LEE Ph. D.
Vice President
International Woodball Federation

The 1st Asian Cup Beach Woodball Championship was held from August 25 to 30, 2024, for six days and five nights at Mangsang Beach in Donghae, Korea. This marked the first official beach woodball championship held in Korea. Since 2000, 25 years after the woodball was introduced to the Korea. Over 200 athletes participated in the Championship, representing Korea, the host nation, as well as China, Hong Kong, India, Malaysia, Mongolia, Singapore, Taiwan, and Thailand.

Mangsang Beach, with its wide sandy shores and long coastline, was an ideal location for beach woodball competition. The traditional Korean-style village(Hanok Village) and Mangsang auto-camping resort, which served as the athletes' accommodation, were located very close to the competition venue, offering great convenience for players moving between the lodging and the beach woodball course. However, the distance to the hotel restaurant where meals were provided posed some inconvenience.

Donghae is a small coastal city in Gangwon Province, located in the northeastern part of South Korea. It was elevated to city status in 1980. Bordered by the East Sea

to the east and forested mountains to the west, Donghae is known as a coastal tourism destination. Its beaches along the East Sea and the fresh seafood caught in its clean sea is among the city's main attractions.

As the first beach woodball competition held in Korea and the inaugural the 1st Asian Cup Beach Woodball Championship, the event created unforgettable memories. Through beach woodball, friendships were fostered, and it provided a valuable opportunity for athletes from Asian member countries to visit Korea's coastal city and test their skills in competition.

Chinese Woodball Association

On October 15, the 9th World Cup Woodball Championship 2024 and the 2024 China International Woodball Open opened at the International Woodball Course in Shangyu, Shaoxing, Zhejiang. A total of 12 teams and nearly 300 people from around the world participated in the championship, while over 50 teams from across China will take part in the 2024 China International Woodball Open.

The eight-day event includes stroke play and course play, with team events, individual events, and doubles events (men's doubles, women's doubles, and mixed doubles). Athletes from home and abroad will compete fiercely, enjoying the fun of woodball and striving to achieve the best results in their optimal form.

It is reported that Shangyu has successively hosted many high-standard international, Asian, and national woodball events in recent years. This event will further promote the construction of Shangyu as a "City of Events", consolidate its

title as one of the first batch of event-intensive counties (districts and cities) in Zhejiang Province, boost the development of sports in Shangyu, ignite a national fitness craze, and create a good atmosphere for building a national model county (district and city) for national sports and fitness.

The event is hosted by the International Woodball Federation (IWBF), undertaken by Chinese Leisure Sports Administrative, Chinese Woodball Association, and the Zhejiang Provincial Sports Bureau, and implemented by the Zhejiang Woodball Association, Shaoxing Municipal Sports Bureau, and Shangyu District People's Government of Shaoxing City.
